## Machine Benefits

- **Quick Assembly:** No tools required! Machine assembles in 15 minutes.
- **Easy Maintenance:** No disassembly required to change a motor or a belt.
- **Quiet Operation:** This is the result of the direct drive system and fewer moving parts.

Tube Construction:  
Patented twist and lock system

Direct Drive: Gear - Reduced drive system eliminates motor belts / motor pulleys

Compact Design: Cost effective for Shipping & Warehousing. Machine System is only 94" L x 41.5" W

## Mixing Lid Benefits

- **Quick Assembly:** Fastest assembly with a revolutionary clip design. No more lock levers!
- **Strongest Lock:** Provides 4 "hold" points that are 10 times stronger than other lids.
- **Best Seal on the Market:** Drastically reduces solvent and water evaporation with fewer openings in the lid.
