

## **CANDIES**

The deepest, richest candies flow from the New Matrix FX Series. Reds so red, they radiate heat. Blues that rival glacial ice. Let your imagination grow and your custom finishes glow with the outrageous FX Series Candies.

**Only Matrix offers radical finishes and excellent collision color matching in one system with savings up to 50 percent!**

These awesome colors in the Matrix FX Series provide outstanding clarity, sparkle and colors ranging from subtle to intense. These high performance finishes are available at Matrix jobbers across the country, or they can be mixed right off the standard Matrix AccuShade™ Intermix System.

- Always use premium Matrix clearcoats and primers to complete your custom project.
- Achieve the finest custom results at reasonable prices with local availability.
- Compare Matrix FX Series products to House of Kolor® products today!
