Matrix Products are neither made or endorsed by DuPont®.

NOTE: Matrix Systems products are not recommended for use in temperatures below 60° F. Use below these temperatures will effect dry times and performance.  
FOR INDUSTRY USE ONLY

The contents of the package must be blended with other components before the product can be used. Any mixture of components will have hazards of all components. Before opening the packages, read all warning labels. Follow all precautions.

The material is designed for application only by professionally trained personnel using proper equipment under controlled conditions, and is not intended for sale to the general public.  
SEE MSDS AND PRODUCT LABELS FOR ADDITIONAL SAFETY INFORMATION.

***Put it to the test!***
